Category: Best Local Power Broker Team

Company: AXI IMMO Group

Renata Osiecka
Managing Partner

AXI IMMO is one of the best commercial real estate agencies in Poland. Experience, exceptional market knowledge and good contacts are the key to our success as commercial real estate agents and at the heart of our agency service. A dedicated team is working at each project and always provides comprehensive solutions adjusted to clients' needs. Technical excellence, the right resource and sector led insight sets us apart. We guarantee a depth of advice and real value for our clients.

AXI IMMO competes and wins with the international competitors. Our market share increases year to year. AXI IMMO Industrial team has leased more than 455,000 sq m of commercial space from October 2016 up to October 2017. We have the biggest market share at Industrial market, but we also grow in office and investment market. Additionally, AXI IMMO advises in land disposal and acquisition in main warehouse and logistics regions in Poland. AXI IMMO has brokered more than 65 ha of industrial land in main logistics region of Poland.

We increase our market share year to year, we are the main market agency at industrial market. We are a Polish company, but we work at an international scale. We have the biggest industrial space database at the market with A and B class properties. Our clients have more alternative options to choose dedicated and optimal for their business property.

In 2017 AXI IMMO brokers have acted as agent in concluding lease contracts for well-known companies such as: Vive Group, OSDW Azymut, Marters Sport, Ceva Logistics, Geis, Novartis, Meble Abra, Saranits and many others.
