

Category: Leadership of the Year

Company: APA Wojciechowski Sp. z o.o.

Szymon Wojciechowski is an architect with over thirty years of experience. He graduated from the Faculty of Architecture of Warsaw University of Technology, and is a member of the Regional Chamber of Architects (Mazowieckiej Okręgowej Izby Architektów). Since 1982 he has been working with studio APA, currently APA Wojciechowski Sp. z oo, in which he serves as CEO. Many years of experience combined with a passion to create and a fondness for beautiful shapes allows him to design buildings not only with unique designs and spectacular interiors, but also great functionality.

Author or co-author of many well-known architectural projects, including White Square Office Center in Moscow, Alchemy in Gdansk, Galeria Malta in Poznan, and EC Powisle in Warsaw, The Park Warsaw.

Winner of numerous awards including 1st place in the competition \"Forbes Professionals 2012\" - Competition in the category of Public Trust in Mazowieckie - Architect.

Architect of the year- Business Center Class A - granted by the Commercial Real Estate Moscow Awards 2010, and winner of the \"Architect of the year 2009 \", awarded by CEE Real Estate Quality Awards in cooperation with the Financial Times.
